

# CV

## Personal statement

Following eight years working as a professional poker player, I am looking to transfer my skills to new areas of work with a part-time role.

## Experience/jobs

2006 – 2013: Professional Poker Player; Playing internationally, in both online and live tournaments. I was a regular tournament winner, averaging a 50% ROI, receiving endorsements from Poker evaluation and discipline.

2007: Poker columnist for Poker Verdict and Flush monthly magazines, writing articles on poker strategy for poker enthusiasts.

2006 – 2019 Babysitting and childcare of my two nieces, now 7 and 4 years old: proficient in lego, dressing-up, moshi monsters Trump cards and baked beans on toast.

2003 – 2004 UGC Trocadero Cinema, Ushering and customer services

## Personal qualities

Self-disciplined, calm under pressure, can work independently, trustworthy.

## Skills

### Python

Worked on projects requiring Python programming including the [MP Twitter App](#) which uses the Flask micro framework to visualise the engagement of members of UK Parliament. I am also familiar with Pandas Python library for data Analysis.

### HTML/CSS

I have some experience with HTML/CSS using it to create user interfaces for my applications.

### SQL

SQL relational databases were used in several modules taken at Open University. I also developed my own Database using SQLite for the MP Twitter App

### Java

Developed an Android application that uses the developer roadmap found [here](#) to guide amateur developers learning about web development.

## Other

Proficient in Microsoft office suite (outlook, word excel, PowerPoint), Google docs, Team Speak, Microsoft Access.

## Education/Qualifications

2014-2019: Open University BSc (Honours) Computing and IT

2004 - 2006: Sheffield University, studied 2 years of BA in politics but deferred to pursue professional poker

1998 – 2003: Bedales School, Hampshire

A levels: History (A), Computing (A), Economics (A)

AS level: Critical thinking (A)
